

EVERGREEN ENGINEERING, INC.

Engineering and Construction Services

Directions to our office at 1740 Willow Creek Circle, Eugene, Oregon 97402

From Beltline:

1. Take Beltline (OR 569) west until it ends at West 11th/ OR 126.
2. Turn right onto West 11th/ OR 126 and get into the left lane.
3. Turn left at the first light (which is Willow Creek Ave. on the south side and S. Danebo Road on the north side).
4. Go to the stop sign and turn right onto Willow Creek Circle, then make the first right into the Westec Business Park.
5. Go past the first set of buildings and turn left at building 1730. Keep going to the next building, which is 1740. It's got a red stripe around the top of the building.

From Downtown Eugene:

1. Take 18th Street west until just before it dead-ends.
2. Turn right into the Westec Business Park.
3. Go past the first set of buildings and turn left at building 1730. Keep going to the next building, which is 1740. It's got a red stripe around the top of the building.

- OR -

1. Take West 11th and get into the left lane after you pass Beltline.
2. Turn left at the first light (which is Willow Creek Ave. on the south side and S. Danebo Road on the north side).
3. Go to the stop sign and turn right onto Willow Creek Circle, then make the first right into the Westec Business Park.
4. Go past the first set of buildings and turn left at building 1730. Keep going to the next building, which is 1740. It's got a red stripe around the top of the building.
